其他注解

一、@CookieValue

```
@RequestMapping(value="/testCookieValue")
 public String testCookieValue(@CookieValue(value="JSESSIONID") String cookieValue){
    }
```

二、@RequestHeader

```
 @RequestMapping(value="/testRequestHeader")
 public String testRequestHeader(@RequestHeader(value="Accept") String header, HttpServletRequest request,HttpServletResponse response) throws IOException {

    }
```

三、
